DETAILED ACTION

Allowable Subject Matter

1. Claims 1-16 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art alone or in combination discloses a first impedance coupled between the current sense terminal and the voltage reference terminal to provide a second current sense threshold, wherein the second current sense threshold is equal to a sum of the first current sense threshold and a current to flow through the first impedance; and a second impedance coupled between the current sense terminal and an input terminal of the voltage regulation circuit, wherein the input terminal has a voltage threshold relative to the voltage reference terminal that is different from a voltage at the current sense terminal by an amount that is a product of the second impedance and the second current threshold.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
